We at Punta Gorda Sailing, like many small businesses, have felt the effects of the COVID-19 crisis.

At times like this, we believe people need a chance to decompress and breath in some fresh, salty air. Therefore, we have made the decision to continue offering our sailing cruises for the time being.

We will remain open as long as we are safely able to do so. Our Captain, along with being a lifelong sailor, is also a registered nurse. We maintain additional medical equipment onboard such as Automatic External Defibrillator and First Aid kits as well as all USCG mandated safety equipment.

We are dedicated to keeping our yachts clean and sanitized for our guests. We are currently cleaning and sanitizing our yachts between charters. We will be reducing our onboard food and beverages to sealed, pre-prepared offerings.

We only operate with a max of 6 guests, well below the recommended WHO guidance. We can take as little as just two guests to help keep social distancing.

We are also offering to amend our booking and cancellation policies. Effective March 1st 2020. We will offer to reschedule or refund any guest who is not able to sail with us, as long as you give us 24 hours' notice.

We're all in this together and we look forward to many more sailing adventures in the near future!
